

August, 2017

Dear Supporter,

On behalf of Greater Harleysville and North Penn Senior Services (GHPSS), we are asking for your sponsorship towards this year's **2017 Pillar of the Community** award evening. The event will be held **Thursday, September 28th** from **6:00 to 9:00 pm** at Lansdale's new North Penn Commons facility on Main Street.

We will be presenting State Representative Robert "Bob" Godshall with this year's "Pillar of the Community" award. A much beloved public servant for 34 years, Bob exemplifies leadership, generosity and courage. He has consistently safeguarded the interests of the elderly, the population we proudly serve.

In addition to this award presentation, the 2017 Pillar of the Community evening will include a cocktail reception, dinner, silent auction, music and entertainment. We hope to attract over 150 business and community leaders from the North Penn and Greater Harleysville region.

Your financial or in-kind support will help us recognize Bob's efforts while benefitting seniors assisted by a wide variety of programs and services at GHPSS's two senior organizations: The PEAK Center in Lansdale and Encore Experiences in Harleysville. Older adults depend on GHPSS for places of comfort, fellowship and sustenance. We, in turn, depend on the support of our friends and contacts in the business community so we can help this senior population.

The enclosed information includes various ways you can share your support for Bob and our 2017 Pillar of the Community event, such as sponsorships and advertising opportunities. Your response is kindly requested by September 1st. You can additionally help us with silent auction or in-kind donations.

We are offering a significant opportunity for your organization to align itself with this unique event and a very worthwhile cause and will be happy to answer any questions you may have.

Thank you so much for your consideration.

Sincerely,
